25X1 1. A military air base, [] is based at the Prague-Kbely airfield. The military garrison at the base consists of between 800 and 900 men and from 70 to 80 officers. About 80 percent of the soldiers are anti-Communist. The officers who served during World War II with the Czech Army of the West have been dismissed from the Air Force and replaced by Communist subordinates. Every spring two meteorological courses, each attended by about 100 men, are given at the field. The field has two parallel runways, each about 1,100 m long and 60 m wide and about 100 m apart. Planes based at Prague-Kbely airfield include the following:

Junkers 52
Mosquito
Me 109
Crittfire
Buecker 104
Buecker 106
Pittor Cub
Dakota
Arado C-2
Siebel
Hanson
